GENERAL INFORMATION

Application for
Clinical Laboratory Personnel

Supervisor

INITIAL & UPGRADE LICENSURE LEVEL

PLEASE NOTE: REVIEW THE ATTACHED MATRIX ON HOW TO QUALIFY FOR EACH LICENSURE LEVEL.

1. FLORIDA LAWS & RULES:
   You may download a copy of Section 483, Part III, Florida Statutes at http://floridasclinicallabs.gov/resources/. It is important to read this in order to determine your eligibility prior to applying, and to familiarize yourself with the statutes and board rules regarding your application for licensure.

2. APPLICANT'S QUESTIONS REGARDING APPLICATION STATUS:
   Within thirty (30) days after the board office receives your application and fee, we will send an acknowledgment letter informing you of any deficiencies and the specific items required to complete your application. If you do not receive notice that we have received your application within forty-five (45) days of the date mailed, please contact this office. As a reminder to all applicants, Section 456.013(1)(a), F.S., provides that an incomplete application expires one year after initial filing with the department.

3. YES/NO QUESTIONS:
   All questions with “Yes or No” answer must be marked with either a “Yes or No”, unless otherwise indicated. No other response is acceptable. For questions which require a brief explanation or description to “Yes” answers, your responses must be sufficiently detailed to ascertain the relevant dates, institution/organization names, and a brief synopsis of the reasons (i.e., the final charges or substantiated allegations) the institution/organization took the disciplinary or other action (i.e., probation, limitation, suspension, revocation, voluntary relinquishment in lieu of disciplinary action, or any other adverse action). However, if a question contained is not applicable answer “N/A” in the no column. Certified or civil notary documentation of final disposition to “Yes” answers is required.

4. FEE SCHEDULE:
   A certified check, or money order in the appropriate amount, made payable to the Department of Health, must be attached to your application. Please staple the certified check or money order to page 1 of the application on the upper left part of the form. Your application will not be processed without these fees. These fees are required by law and include the following:

   | Initial & upgrade licensure level | Application Fee: (non-refundable) | $70.00  |
   |                               | Licensure Fee:                      | $55.00  |
   |                               | Unlicensed Activity Fee:             | $5.00   |
   |                               | Total Fee:                          | $130.00 |
5. REQUIRED NATIONAL EXAMS:
Below are the national certification bodies which you must contact to request that this office be provided with verification of your National Certification. This certification must be mailed directly from the national certifying body to the Board of Clinical Laboratory Personnel.

Supervisors:
American Association of Bioanalysis  
(314) 241-1445  
American Board of Histocompatibility & Immunogenetics  
(913) 895-4602

American Medical Technologists  
(847) 823-5169  
American Society of Clinical Pathologists  
(800) 267-2727

National Registry of Certified Chemists  
(703) 979-9001

If you are certified by organizations other than those listed, you may not be eligible for licensure.

6. EMPLOYMENT HISTORY: (Please refer to Rule 64B3-2.003, F.A.C.)
Do not include testing done in research, physician office laboratories or veterinary work. Observation in a laboratory setting when the applicant does not have a Florida license is not pertinent clinical laboratory experience.
Forward the verification of experience form to your employer for completion. A letter from the employer may be used to document experience but it must contain all of the information requested on the verification of employment form. Have your employer verify the tests you performed. This form is used to determine whether you have performed tests in the full range of each area of the laboratory. **PLEASE NOTE:** If you are an applicant from Cuba and are unable to obtain employment verification, you may submit written documentation from a Florida licensed Clinical Laboratory Personnel or Medical Doctor, describing your clinical laboratory experience.

7. HIV/AIDS and MEDICAL ERRORS:
Florida law requires that all initial licensure applicants have Florida board approved courses: one (1) hour in HIV/AIDS and two (2) hours on the prevention of medical errors education prior to licensure.

**PLEASE NOTE:** To obtain information for the HIV/AIDS and Prevention of Medical Errors courses, contact CE Broker @ 1-877-434-6323 or www.cebroker.com

8. FINAL OFFICIAL TRANSCRIPT:
Official transcripts must be sent directly to this office from your college or university. If you were educated in an institution outside of the United States, it is your responsibility to have your education evaluated to determine the U.S. equivalency.

9. VOCATIONAL/TRAINING PROGRAMS:
If you have attended an accredited program or an approved technical training program that is not part of your college degree, submit a certified copy of the training certificate you were issued or submit a certified copy of your diploma or certificate of graduation. If you have completed a Florida training program, include the training program approval number.

It is the responsibility of the applicant to know the requirements for licensure before an application is submitted. Determine what is necessary according to your own qualifications. Official transcripts must be sent directly from the school; student copies are not acceptable (see additional sections concerning foreign transcripts and U.S. equivalency). A certified copy of a diploma or a DD-214 (military) may document training, but the employer must verify experience.

10. NAME CHANGE:
Notify the board office in writing of any change in name or address. If you have changed your name (by marriage, divorce or court order) since your last application (including license renewal), you must submit a certified copy of the marriage, divorce or court record in order to change your name for licensure purposes.

11. TEMPORARY PERMIT:
You may request a temporary permit if your application is complete and you have submitted a copy of the approval letter from the certification agency stating the date of your examination. Your request must be submitted in writing.

**NOTICE:** Failure of an examination will render you ineligible to receive a temporary permit or may render a previously issued temporary permit void.
FOREIGN EDUCATION EQUIVALENCY REQUIREMENTS

All foreign graduates who intend to utilize credit earned in colleges or universities outside of the United States to qualify for licensure will need to provide evidence of U. S. equivalency of such credit hours. The credentials evaluation must be performed by one of the acceptable credential evaluation services and include a breakdown of all college level courses by subject. Credit hours must be listed in semester hours. The credentials evaluation should be sent directly to the board office from the evaluator. If transcripts cannot be ordered from the foreign institution, certified copies of the original documents used in the evaluation must be submitted to the agency. (Please review Rule 64B3-6.002, Florida Administrative Code).

NOTE: Bachelor's degrees from Puerto Rico and the Philippines do not need a credentials evaluation; however, official transcripts must be submitted from the institution.

FEDERAL PRIVACY ACT:

Under the Federal Privacy Act, disclosure of social security numbers is voluntary unless specifically required by federal statute. In this instance, disclosure of a social security number is mandatory pursuant to Title 42 United States Code, Sections 653 and 654, and sections 456.013, 409.2577 and 409.2598, F.S. Social security numbers are used to allow efficient screening of applicants and licensees by a Title IV-D child support agency to assure compliance with child support obligations. Barring any exemption under Florida law or federal law, social security numbers must be recorded on all professional and occupational licensure applications and will be used for license verification. Note: If you do not fill in your social security number, your application may be delayed.
