GENERAL INFORMATION

Application for
Public Health Laboratory Scientist
(Director, Supervisor, Technologist and Technician)

HOW TO APPLY FOR FLORIDA CLINICAL LABORATORY PERSONNEL LICENSURE

1. **FLORIDA LAWS & RULES:** You may download a copy of Section 483, Part III, Florida Statutes at [http://www.floridasclinicallabs.gov/](http://www.floridasclinicallabs.gov/). It is important to read this in order to determine your eligibility prior to applying, and to familiarize yourself with the statutes and board rules regarding your application for licensure.

2. **APPLICANT’S QUESTIONS REGARDING APPLICATION STATUS:**
   Within thirty (30) days after the board office receives your application and fee, we will send an acknowledgment letter informing you of any deficiencies and the specific items required to complete your application. If you do not receive notice that we have received your application within forty-five (45) days of the date mailed, please contact this office. As a reminder to all applicants, Section 456.013(1)(a), F.S., provides that an incomplete application shall expire one year after initial filing with the department.

3. **NATIONAL EXAM INFORMATION:**
   Chapter 483, Part III, F. S., states that public health laboratory scientist applicants desiring licensure at the director, supervisor and technologist levels must take and pass a national examination. Personnel who meet the education requirements may become licensed if certified by one of these national examinations.

   **Director and Supervisor:**
   American Society of Microbiology
   (202) 942-9281

   National Registry of Certified Chemists
   (703) 979-9001

   **Technologist:**
   American Society for Microbiology
   (202) 942-9281

   National Registry in Clinical Chemistry Certification
   (703) 979-9001

   National Registry of Microbiology Certification in Public Health Microbiology
   (202) 942-9281

   If you are certified by organizations other than those listed, you may not be eligible for licensure.

4. **YES/NO QUESTIONS:**
   All questions with “Yes or No” answer must be marked with either a “Yes or No”. No other response is acceptable. For questions which require a brief explanation or description of “Yes” answers, your responses must be sufficiently detailed to ascertain the relevant dates, institution/organization names, and a brief synopsis of the reasons (i.e., the final charges or substantiated allegations) the institution/organization took the disciplinary or other action (i.e., probation, limitation, suspension, revocation, voluntary relinquishment in lieu of disciplinary action, or any other adverse action). Certified or civil notary documentation of final disposition to “Yes” answers is required.

5. **FEDERAL PRIVACY ACT:**
Under the Federal Privacy Act, disclosure of social security numbers is voluntary unless specifically required by federal statute. **In this instance, disclosure of a social security number is mandatory pursuant to Title 42 United States Code, Sections 653 and 654, and sections 456.013, 409.2577 and 409.2598, F.S.** Social security numbers are used to allow efficient screening of applicants and licensees by a Title IV-D child support agency to assure compliance with child support obligations. Barring any exemption under Florida law or federal law, social security numbers must be recorded on all professional and occupational licensure applications and will be used for license verification. **Note: If you do not fill in your social security number, your application may be delayed.**

**SUPPORTING DOCUMENTS – THE FOLLOWING ITEMS MUST BE INCLUDED WITH YOUR APPLICATION:**

1. **Fee Schedule:** A certified check, or money order in the appropriate amount, made payable to the Department of Health, must be attached to your application. Please staple the certified check or money order to page 1 of the application on the upper left part of the form. Your application will not be processed without these fees. These fees are required by law and include the following:

   **Initial licensure level:**
   - Application Fee $25.00
   - Licensure Fee $25.00
   - Unlicensed Activity Fee $5.00
   - **Total Fee:** $55.00

   **Additional Specialty to Existing Licensure Level:**
   - Application Fee $25.00
   - Licensure Fee $25.00
   - **Total Fee:** $50.00

2. **HIV/AIDS and Medical Errors:** Florida law requires that all initial licensure applicants to complete Florida Board approved courses in HIV/AIDS and two (2) hours on the prevention of medical errors education prior to licensure.

   **PLEASE NOTE:** To obtain information for the HIV/AIDS and Prevention of Medical Errors courses, contact CE Broker @ 1-877-434-6323 or www.cebroker.com

3. **Applicant Education and Training Data:** Official transcripts must be sent directly to this office from your college or university. If you were educated in an institution outside of the United States, it is your responsibility to have your education evaluated to determine the U. S. equivalency.

   If you have attended an accredited program or an approved technical training program that is not part of your college degree, submit a notarized copy of the training certificate you were issued or submit a notarized copy of your diploma or certificate of graduation. If you have completed a Florida training program, include the training program approval number.

   **NOTE:** Even though you may have submitted these documents with a prior application, you may be required to resubmit them.

   It is the responsibility of the applicant to know the requirements for licensure before an application is submitted. Determine what is necessary according to your own qualifications. Official transcripts must be sent directly from the school; student copies are not acceptable (see additional sections concerning foreign transcripts and U. S. equivalency). A notarized copy of a diploma or a DD-214 (military) may document training, but the employer must verify experience. Applicants are advised to submit as much documentation of education, experience, and training with the original application.

4. **Verification of Experience** - (Do not include testing done in research, physician office laboratories or veterinary work.) Forward the verification of experience form to your employer for completion. A letter from the employer may be used to document experience but it must contain all of the information requested on the verification of employment form. Have your employer verify the tests you performed. This form is used to determine whether you have performed tests in the full range of each area of the laboratory.

5. **Name Change:** Notify the board office in writing of any change in name or address. If you have changed your name (by marriage, divorce or court order) since your last application (including license renewal), you must submit a certified copy of the marriage, divorce or court record in order to change your name for licensure purposes.
FOREIGN EDUCATION EQUIVALENCY REQUIREMENTS

All foreign graduates who intend to utilize credit earned in colleges or universities outside of the United States to qualify for licensure will need to provide evidence of U. S. equivalency of such credit hours. The credentials evaluation must be performed by one of the acceptable credential evaluation services and include a breakdown of all college level courses by subject. Credit hours must be listed in semester hours. The credentials evaluation should be sent directly to the board office from the evaluator. If transcripts cannot be ordered from the foreign institution, certified copies of the original documents used in the evaluation must be submitted to the agency.

NOTE: Bachelor’s degrees from Puerto Rico and the Philippines do not need a credentials evaluation; however, official transcripts must be submitted from the institution.
